Designed With A Purpose cfs

About Us

Designed With A Purpose cfs is a 501(c)(3) nonprofit public charity organization created in October 2018 to empower young ladies and women. The organization helps our community as we encourage young ladies and women to preserve and pursue their dreams and be faithful in their pursuits of happiness, while allowing God to open the doors to opportunity.

OUR EVENT

Since 2018, we host a women empowerment event every 3rd Saturday in October. The goal of the event is to celebrate and encourage women from all walks of life. We bring a different topic each year with speakers, and/or a panel, as well as food, games, prizes, and vendors.

Designed With A Purpose 7th Annual Event

We are excited to announce our Seventh Annual Designed With A Purpose Event. This year will be our first time offering a 2-day conference and our topic this year is “Unpack Your Baggage & Shift to Greater”. The conference will start on Friday evening with our 2nd Annual DWAP Awards, followed by our full day conference on Saturday. We have some amazing speakers lined up and we are looking forward to your support.
